## Description:

**Review 'Carrots' a refreshing, different kind of sleuth story** "The dialogue is well written and the story flows along nicely with a good number of twists and surprises. It's a good story, a readable novel and the start of something fine."

- Sharon Haddock, Deseret News

**About the Author** A long career as a wife and mother while juggling several part-time jobs gave Colleen the ambition to dream of being a published author, where she could put her imagination to good use. Now instead of making up stories to tell her children, she writes books they love to read. Hopefully you will too. She is the author of three romantic fantasy novels, Songbird, Flame of Destiny and The Relic. Her Shelby Nichols Adventures include Carrots, Fast Money, Lie or Die, and a fourth coming soon!
