Description:

everyone's a aliebn when ur a aliebn too is the illustrated story of a lonely alien sent to observe Earth, only to meet all sorts of creatures with all sorts of perspectives on life, love, and happiness, all while learning to feel a little better about being an alien—based on the enormously popular Twitter account, @jonnysun.

Here is the unforgettable story of Jomny, a lonely alien who, for the first time ever, finds a home on our planet after learning that earthlings can feel lonely too. Jomny finds friendship in a bear tired of other creatures running away in fear, an egg struggling to decide what to hatch into, an owl working its way to being wise, a tree feeling stuck in one place, a tadpole coming to terms with turning into a frog, a dying ghost, a puppy unable to express itself, and many more.

Through this story of a lost, lonely and confused alien finding friendship, acceptance, and love among the creatures of Earth, we will all learn how to be a little more human. And for all of us earth-bound creatures here on this planet, we can all be reminded that sometimes, it takes an outsider to help us see ourselves for who we truly are.
