Description:

American Sign Language (ASL) is a vibrant, easy-to-learn language that is used by approximately half a million people each day. Current with the latest additions to ASL and filled with thousands of brand new photographs by deaf actors, *Learn American Sign Language* is the most comprehensive guide of its kind.

With it, you will be able to:

-Learn more than 800 signs, including signs for school, the workplace, around the house, out and about, food and drink, nature, emotions, small talk, and more.
-Unlock the storytelling possibilities of ASL with classifiers, easy ways to modify signs that can turn "fishing" into "catching a big fish" and "walking" into "walking with a group."
-Find out how to make sentences with signs, use the proper facial expressions with your signs, and other vital tips.
