Description:

REA's TExES ESL Supplemental (154) Test Prep with Online Practice Tests Gets You Certified and in the Classroom!

Nationwide, more than 5 million teachers will be needed over the next decade, and all must take appropriate tests to be licensed. REA gets you ready for your teaching career with our outstanding library of Teacher Certification test preps.

Our test prep is designed to help teacher candidates master the information on the TExES ESL Supplemental (154) exam and get certified. It's perfect for college students, teachers, and career-changing professionals who are looking to become Texas ESL teachers.

The book contains in-depth reviews of all the competencies tested on the TExES ESL Supplemental (154) exam: language concepts and language acquisition, ESL instruction and assessment, and foundations of ESL education.

Two full-length practice tests are offered online in a timed format with instant scoring, diagnostic feedback, and detailed explanations of answers. Each test features every type of question, subject area, and skill you need to know for the exam. Our online practice tests replicate the TExES question format, allowing you to assess your skills and gauge your test-readiness.

The online tests at REA's Study Center offer the most powerful scoring and diagnostic tools available today. Automatic scoring and instant reports help you zero in on the topics and types of questions that give you trouble now, so you'll succeed when it counts. Every practice exam comes with detailed feedback on every question. We don't just say which answers are right - we explain why the other answer choices are wrong - so you'll be prepared on test day.

The book includes the same two practice tests that are offered online, but without the added benefits of detailed scoring analysis and diagnostic feedback. This complete test prep package comes with a customized study schedule and REA's test-taking strategies and tips.

This test prep is a must-have for anyone who wants to teach ESL in Texas!
