Description:

Test yourself before the ARDMS tests you! Vascular Technology Review illuminates the facts and principles on which you will be tested, hones your test-taking skills, and reveals your strengths and weaknesses by exam topic. Based on the exam outline published by ARDMS, this brand new edition

contains more than 570 registry-like questions together with instructive illustrations, answers, clear explanations, and quick references for further study. A new Hall of Images and more than 50 image-based cases prepare you to tackle the images on the exam.

Why are our mock exams so popular and effective? Because they contain the same kinds of thought-provoking questions you will find on the real exam! Approved for 12 hours of continuing medical education (CME) credit by the Society of Diagnostic Medical Sonography (SDMS).
